LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY

Dear Harold,

What absurd junk! The rejection of the Russell angle is total. Look at the media yeast. The L.B.J. Interview got. Out perhaps not so total.

Vidal touts the exile Cuban theory as if he discovered it.

Of course, the Watergate "Whitewash" ballons the Dallas Script. Oswald/Nixon = Lone Obbonaler.

The silence after the revelation of Hunt's L.B.J./CIA ties tells it all in terms of "The Warren approach".

Ervin is much like Russell - honorable in his way yet a Patriot who must spare the Country the Truth. The unfortunate point is

that while interest rises, nuts spread deal (and discredited!) theories which to the young appear new and exciting.

The sick aspect is that Cuba, Wade, Russell, L.B.J., Nixon etc. are the populace - None accept the W.R. yet this is the textbook version. Only Tod of Frank documents caused reopen the case. A friend, former CIA, believes the CIA has important files, that is internal files on aspects of L.H.O. and on questions asked of the CIA by the W.C. He believes C.D. 931 is a sanitized version of the actual "in house" document. Short of a break-in, we'll probably never know.
